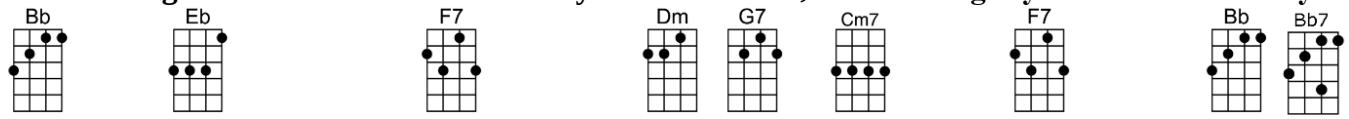
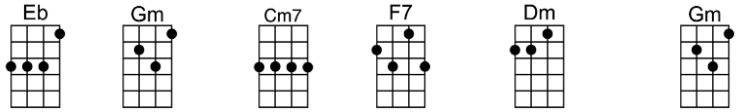
p.2. My Love

Once I thought that love was meant for anyone else but me, once I thought you'd never come my way

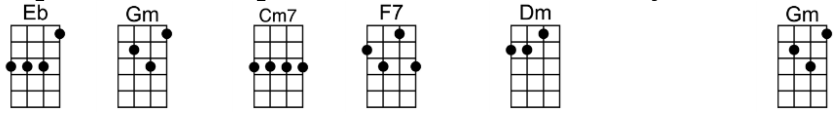


Now it only goes to show how wrong we all can be, for now I have to tell you every day



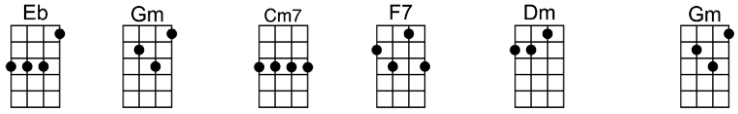
My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky



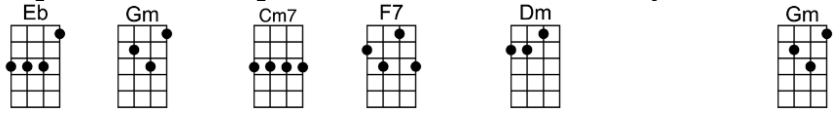
My love is brighter than the brightest star that shines every night a-bove

And there is nothing in this world that can ever change my love

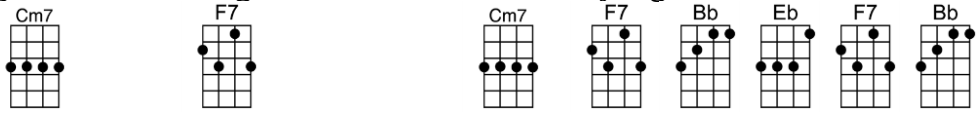


My love is warmer than the warmest sunshine, softer than a sigh

My love is deeper than the deepest ocean, wider than the sky



My love is brighter than the brightest star that shines every night a-bove



And there is nothing in this world that can ever change….my….love
