NEVER BE THE SAME-Christopher Cross

4/4 1...2...123 (without intro)

Intro: |   | / |   | / |   | / |   |   

It was good for me, good for you. Now nothin' either of us can say or do

Can change the way you feel tonight. Sometimes love just slips out of sight

Just one thing before you go. Just one thing that you've got to know

No one will ever touch me that way, the way that you did that very first day

And, I will never be the same without you here. I'll live alone, hide myself be-hind my tears

No, I will never be the same without your love. I'll live alone, try so hard to rise above

The years go by, there's always someone new to try and help me forget about you

Time and again it does me no good. Love never feels the way that it should

I loved you then I guess I'll love you forever, and, even though I know we could never stay together

I think about how it could've been, if we could just start all over a - gain

p.2. Never Be the Same

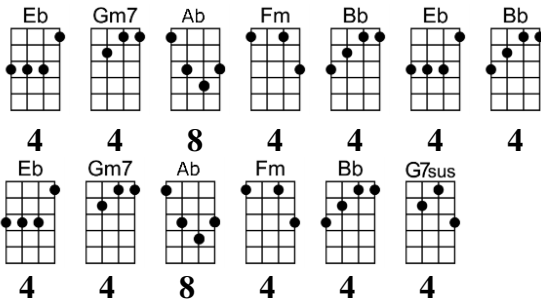

And, I will never be the same without you here. I'll live alone, hide myself be-hind my tears

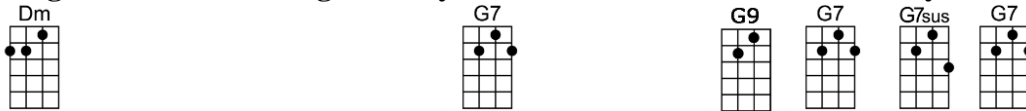

No, I will never be the same without your love. I'll live alone, try so hard to rise above

Interlude:

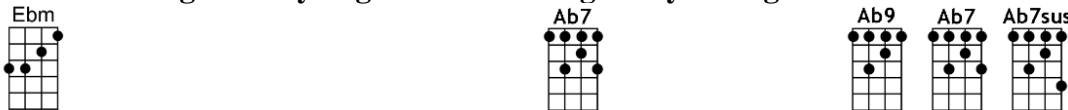

It was good for me. It was good for you. Now nothin' either of us can say or do

Can change the way you feel tonight. Sometimes love just slips out of sight

Just one thing before you go. Just one thing that you've got to know

No one will ever touch me that way, the way that you did that very first day

And, I will never be the same without you here. I'll live alone, hide myself be-hind my tears

Hey, I will never be the same without your love. I'll live alone, try so hard to rise above

(Repeat refrain, and fade)
