NO MOON AT ALL-Reed Evans/Dave Mann

4/4 1...2...1234

Intro: First 2 lines

No moon at all, what a night, even lightning bugs have dimmed their light

Stars have disappeared from sight, and there's no moon at all

Don't make a sound, it's so dark, even Fido is a-fraid to bark

What a perfect chance to park, and there's no moon at all

If we want atmosphere for inspi-ration, dear

One kiss will make it clear, that to-night is right, and bright moonlight might inter - fere

No moon at all up above, this is nothing like they told us of

Just to think we fell in love, and there's no moon at all
