**Intro:** |  |  |  |  |  | (X2)

Old man, look at my life, I'm a lot like you were

Old man, look at my life, I'm a lot like you were

Old man, look at my life, twenty-four, and there's so much more

Live alone in a Paradise, that makes me think of two

Love lost, such a cost, give me things that don't get lost

Like a coin that won't get tossed, rolling home to you

Old man, take a look at my life, I'm a lot like you

I need someone to love me the whole day through

Ah, one look in my eyes, and you can tell that's true
