# ONE OF US WAS WRONG<sup>(BAR)</sup>-Al Goering/Gus Kahn

4/4 1...2...1234

**Intro:** |  |  |  |  |

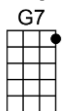

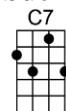

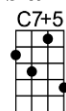

One of us was wrong, and so we parted

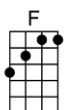

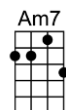

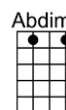

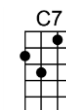

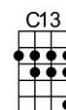

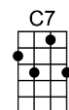

One of us was wrong, and now we're through

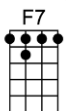

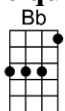

Don't know who to blame, but it's all the same

I just know that I'm alone and blue

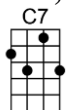

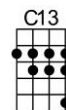

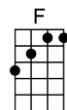

One of us was wrong, and so we quarreled

That's the reason nights are, oh, so long

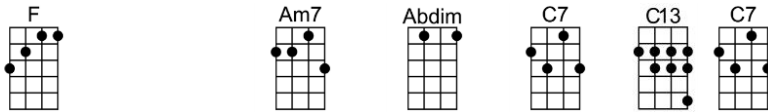

So, I'll find her, and tell her that I'm sorry

One of us was wrong, all wrong

Interlude: First 4 lines
