OUT IN THE COUNTRY (BAR)-Paul Williams/Roger Nichols

4/4 1...2...1234

Intro: |  |  |  | **(X4)**

Whenever I need to leave it all be-hind, or feel the need to get a-way

I find a quiet place, far from the human race, out in the coun – try

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime

Out where the rivers like to run

I stand a-lone and take back somethin' worth re-memberin'

Whenever I feel them closing in on me, or need a bit of room to move

    

When life becomes too fast, I find relief at last, out in the coun – try

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime

p.2. Out In the Country

Out where the rivers like to run

I stand a-lone and take back somethin' worth re-memberin'

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime

Out where the rivers like to run

I stand a-lone and take back somethin' worth re-memberin'

And now I need to leave it all be-hind, I feel the need to get a-way

I'll find a quiet place, far from the human race, out in the coun -try

Before the breathin' air is gone, before the sun is just a bright spot in the nighttime

Out where the rivers like to run

I'll stand a-lone and take back somethin' worth re-memberin'
