Intro: |  |  |

   |       

People, people who need people, are the luckiest peo-ple in the world

   |   

We're chil-dren needing other chil-dren,

     |   

And yet, letting our grown-up pride hide all the need in-side,

 |     

Acting more like children than chil - dren

   |       

Lovers are very special people, they're the luckiest peo-ple in the world

  |  

With one person, one very special person

A feeling deep in your soul says you were half, now you're whole

    |  

No more hunger and thirst, but first be a person who needs people

  |      

People who need people are the luckiest people in the world.
