A rain-drop, so many rain-drops,

       
It feels like rain-drops, falling from my eye-eyes, falling from my eyes

       
Since my love has left me, I'm so all a-lone.

     
I would bring her back to me, but I don't know where she's gone

  
I don't know where she's gone

    
There must be a cloud in my head, rain keeps falling from my eye-eyes

   
Oh no, they can't be teardrops, for a man ain't supposed to cry

p.2. Raindrops

Oh, it must be rain-drops, so many rain-drops,

It feels like rain-drops, falling from my eye-eyes, falling from my eyes

Oh, there must be a cloud in my head, rain keeps falling from my eye-eyes

Oh no, they can't be teardrops, for a man ain't supposed to cry

So it must be rain-drops, so many rain-drops,

It feels like rain-drops, falling from my eye-eyes,

Falling from my eye-eyes, falling from my eyes
