

RAIN ON THE ROOF - John Sebastian

4/4 1...2...1234

Intro:

You and me and rain on the roof, caught up in a summer shower

Dryin' while it soaks the flowers. Maybe we'll be caught for hours, waitin' out the sun.

You and me, we're gabbing away, dreamy conversation, sittin' in the hay.

Honey, how long was I laughin' in the rain with you?

'Cause I didn't feel a drop 'til the thunder brought us to.

Interlude: Same as intro

You and me underneath a roof of tin. Pretty comfy feelin', how the rain ain't leakin' in.

We can sit and dry just as long as it can pour.

'Cause the way it makes you look makes me hope it rains some more.

Interlude:
