

REMEMBER (BAR)-Irving Berlin

4/4 1...2...1234

Intro:         (4 beats each)

VERSE:

One lit-tle kiss, a moment of bliss, then hours of deep re-gret
 Into my dreams, you wandered, it seems, and then there came a day

One lit -tle smile, and after a while, a longing to for - get
 You loved me too, my dreams had come true, and all the world was May

          

One little heart-ache, left as a to - ken, one little plaything, carelessly bro - ken
 But soon the May-time turned to De-cem-ber, you had for-gotten, do you re-mem-ber?

CHORUS:

Remember the night, the night you said, "I love you," re-mem-ber?

Remember you vowed by all the stars a-bove you re-mem-ber?

     

Remember we found a lonely spot, and after I learned to care a lot;

You promised that you'd forget me not, but you for-got to re-mem-ber.

1. (2nd verse)

2.        

You promised that you'd forget me not, but you for-got to re-mem-ber.
