4/4 1234 12 (without intro)

**Intro:**     (8 beats each)

     
 So I'd like to know where, you got the notion. Said I'd like to know where, you got the notion

   
 To rock the boat, don't rock the boat baby, rock the boat, don't tip the boat over

      
 Rock the boat, don't rock the boat baby....Rock the boat

   
 Ever since our voyage of love be-gan

   
 Your touch has thrilled me like the rush of the wind

   
 And your arms have held me safe from a rolling sea

    
 There's always been a quiet place to harbor you and me

          
 Our love is like a ship on the o - cean, we've been sailing with a cargo full of, love and de-vo - tion  
 Chorus

**p.2. Rock the Boat**

**Up to now we sailed through every storm**

**And I've always had your tender lips to keep me warm**

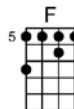

**Oh I need to have the strength that flows from you**

**Don't let me drift away my dear, when love can see me through**

**Our love is like a ship on the o - cean, we've been sailing with a cargo full of, love and de-vo - tion**
