SHE BELIEVES IN ME_(BAR)-Steve Gibb

4/4 1...2...123 (without intro)

Intro: |  |  |  |  |

While she lays sleeping, I stay out late at night and play my songs
While she lays waiting, I stumble to the kitchen for a bite

And sometimes all the nights can seem so long
Then I see my old gui-tar in the night

And it's good when I finally make it home, all a-lone
Just waiting for me, like a secret friend, and there's no end

While she lays dreaming, I try to get un-dressed without the light
While she lays crying, I fumble with a melody or two

And quietly she says, "How was your night?"
And I'm torn between the things that I should do

And I come to her and say it was al-right, and I hold her tight (refrain)
And she says to wake her up when I am through, God, her love is true

p.2. She Believes In Me

Refrain:

And she be-lieves in me, I'll never know just what she sees in me

I told her someday, if she was my girl, I could change the world

With my little songs, I was wrong

But she has faith in me, and so I go on trying faithfully

And who knows maybe on some special night, if my song is right,

1. I will find a way, find a way (2nd verse)

2. I will find a way, while she waits, while she waits for me
