

SING F#

SHOWER THE PEOPLE

4/4 1...2...123 (without intro)

Intro: /  /  /  /  /  /  /

You can play the game and you can act out the part

Though you know it wasn't written for you

But tell me, how can you stand there with your broken heart, a-shamed of playing the fool

One thing can lead to an-other; it doesn't take any sacri -fice

Oh, father and mother, sister and brother, if it feels nice, don't think twice

Just shower the people you love with love, show them the way that you feel

Things are gonna work out fine if you only will do as I say

   

Just shower the people you love with love, show them the way that you feel

     

Things are gonna be much better if you only will

p.2. Shower the People

You can run but you cannot hide. This is widely known

And what you plan to do with your foolish pride, when you're all by your-self, a-lone

Once you tell somebody the way that you feel , you can feel it be-ginning to ease

I think it's true what they say about the squeaky wheel -always getting the grease.

Better to shower the people you love with love, (yes, and) show them the way that you feel

(I know) Things are gonna work out fine if you only will- what I'd like to do to you

Just shower the people you love with love, show them the way that you feel

Things are gonna be much better if you only will

Shower the people you love with love, show them the way that you feel (several times, then fade)
