

SOMEWHERE ALONG THE WAY

4/4 1...2...1234

Intro:   /  /   /   /

I used to walk with you along the avenue, our hearts were carefree and gay

How could I know I'd lose you somewhere a-long the way

The friends we used to know would always smile hello, No love like our love, they'd say

Then love slipped through our fingers somewhere a-long the way

I should for-get, but with the loneliness of night

I start re-mem-bering... everything... you're gone and yet

There's still a feeling deep in-side that you will always be part of me

So now I look for you along the avenue, and as I wander I pray

That someday soon I'll find you somewhere a-long the way

Somewhere a-long the way.
