THE SONG IS YOU (BAR)-Oscar Hammerstein/Jerome Kern

4/4 1...2...1234

Intro: |  |  |  |  |

I hear music when I look at you, a beautiful theme of every dream I ever knew

Down deep in my heart I hear it play, I feel it start, then melt a-way

       

I hear music when I touch your hand, a beautiful melody from some en-chanted land

Down deep in my heart, I hear it say, "Is this the day?"

BRIDGE:

     

I alone have heard this lovely strain. I alone have heard this glad re-frain

Must it be forever in-side of me? Why can't I let it go? Why can't I let you know?

p.2. The Song Is You

Why can't I let you know the song my heart would sing?

That beautiful rhapsody of love and youth and spring

The music is sweet, the words are true, the song is you

Interlude: Chords of the bridge

Why can't I let you know the song my heart would sing?

That beautiful rhapsody of love and youth and spring

The music is sweet, the words are true, the song is you
