

SOON IT'S GONNA RAIN_(BAR)

4/4 1...2...1234

Hear how the wind be-gins to whisper, see how the leaves go streaming by

Smell how the velvet rain is falling, out where the fields are warm and dry

Now is the time to run inside and stay

Now is the time to find a hidea-way, where we can stay

Soon it's gonna rain, I can see it, soon it's gonna rain, I can tell

Soon it's gonna rain, what are we gonna do?

Soon it's gonna rain, I can feel it, soon it's gonna rain, I can tell

Soon it's gonna rain, what will we do with you?

p.2. Soon It's Gonna Rain

We'll find four limbs of a tree, we'll build four walls and a floor

We'll bind it over with leaves, then duck in-side to stay

Then we'll let it rain, we'll not feel it, then we'll let it rain, rain pell mell

And we'll not com-plain if it never stops at all

We'll live and love with-in our wall, happily, we'll live and love, no cares at all

Happily, we'll live and love with-in our castle wall.
