SUNDOWN (BAR)-Gordon Lightfoot

4/4 1...2...123 (without intro)

Intro: |  |  |  |  |

I can see her lying back in her satin dress in a room where you do what you don't confess

Sundown, you better take care, if I find you been creepin' 'round my back stairs

Sundown, you better take care, if I find you been creepin' 'round my back stairs

She's been lookin' like a queen in a sailor's dream, and she don't always say what she really means

Sometimes I think it's a shame, when I get feelin' better when I'm feelin' no pain

Sometimes I think it's a shame, when I get feelin' better when I'm feelin' no pain

I can picture every move that a man could make, getting lost in her lovin' is your first mistake

Sundown, you better take care, if I find you been creepin' 'round my back stairs

Sometimes I think it's a sin, when I feel like I'm winnin' when I'm losin' again

p.2. Sundown

Interlude:  (8 measures)

I can see her looking fast in her faded jeans, she's a hard lovin' woman, got me feelin' mean

Sometimes I think it's a shame, when I get feelin' better when I'm feelin' no pain

Sundown, you better take care, if I find you been creepin' 'round my back stairs

Sundown, you better take care, if I find you been creepin' 'round my back stairs
