

SUPERWOMAN(BAR)-Stevie Wonder

4/4 1...2...1234

Intro:

Mary wants to be a superwoman, but is that really in her head

But I just want to live each day to love her for what she is

Mary wants to be another movie star, but is that really in her mind

And all the things she wants to be, she needs to leave be-hind

But, very well, I be-lieve I know you very well, wish that you knew me too very well

And I think I can deal with every-thing going through your head

Very well, and I think I can face very well, wish that you knew me too very well

And I think I can cope with every-thing going through your head

p.2. Superwoman

Mary wants to be a superwoman, and try to boss the bull around

But does she really think that she'll get by with a dream

My woman wants to be a superwoman, and I just had to say good-bye

Be-cause I can't spend all my hours start'n to cry

But, very well, I be-lieve I know you very well, wish that you knew me too very well

And I think I can deal with every-thing going through your head

Very well, think that I know you too, very well, wish you knew me like I know you

Very well, and I wish I could think of every-thing going through your head
