

SWEET CITY WOMAN_(BAR)-Rich Dodson

4/4 1...2...123 (without intro)

Intro: 1st two lines

Well, I'm on my way to the city lights, to the pretty face that shines her light on the city nights

And I gotta catch a noon train, I gotta be there on time. Oh, it feels so good to know she waits at the end of

the line

Sweet, sweet city woman, I can see your face, I can hear your voice, I can almost touch you

Sweet, sweet city woman, oh, my banjo and me, we got a feel for singin', yeah, yeah

Bon, si bon, bon, bon, si bon, bon, bon, si bon, bon, bon, bon (X2)

So long, Ma, so long, Pa, so long, neighbors and friends

Like a country morning, all smothered in dew, she's got a way to make a man feel shiny and new

And she'll sing in the evening, old fa-miliar tunes, and she feeds me love and tenderness and macaroons

Sweet, sweet city woman, I can see your face, I can hear your voice, I can almost touch you

Sweet, sweet city woman, oh, my banjo and me, we got a feel for singin', yeah, yeah

Instrumental: Chords of 1st two lines of song

Sweet, sweet city woman, oh, my sweet, sweet, sweet, sweet city woman (repeat and fade)
