Intro: |  |  |  |  |  |  |  |  |  |

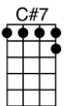

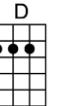

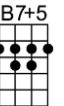

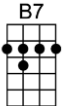

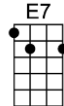

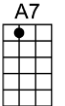

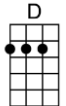

The girl of my dreams is the sweetest girl of all the girls I know

Each sweet co-ed, like a rainbow trail, fades in the after-glow

         

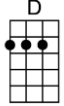

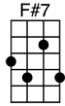

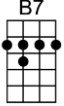

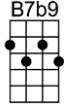

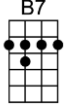

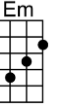

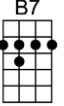

The blue of her eyes, and the gold of her hair are a blend of the western sky

        

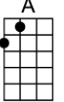

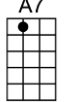

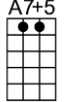

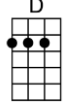

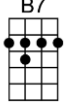

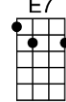

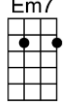

And the moonlight beams on the girl of my dreams, she's the sweetheart of Sigma Chi
