

# SWEET OLD WORLD-Lucinda Williams

4/4 1...2...12 (without intro)

**Intro:**  (4 measures)

See what you lost when you left this world, this sweet old world

What you lost when you left this world, this sweet old world

     

The breath from your own lips, the touch of finger-tips, a sweet and tender kiss

     

The sound of a midnight train, wearing someone's ring, someone calling your name

**Bridge:**

Somebody so warm, cradled in your arms.

Didn't you think you were worth any-thing

See what you lost when you left this world, this sweet old world

What you lost when you left this world, this sweet old world

**Interlude:** First 2 lines, followed by chords of the bridge

p.2. Sweet Old World

Millions of us in love, promises made good, your own flesh and blood

Looking for some truth, dancing with no shoes, the beat, the rhythm, the blues

The pounding of your heart's drum, together with another one

Didn't you think anyone loved you

See what you lost when you left this world, this sweet old world

What you lost when you left this world, this sweet old world

See what you lost when you left this world, this sweet old world

What you lost when you left this world, this sweet old world
