

SWEET SURRENDER - John Denver

4/4 1...2...1234

Intro: |  |  |  | (X2)

Lost and alone on some forgotten highway, traveled by many, remembered by few.

Lookin' for somethin' that I can believe in,

Lookin' for somethin' that I'd like to do with my life.

There's nothin' behind me and nothin' that ties me to

Somethin' that might have been true yester-day.

Tomorrow is open and right now it seems to be more than enough to just be here to-day

And I don't know what the future is holdin' in store,

p.2. Sweet Surrender

I don't know where I'm goin', I'm not sure where I've been.

There's a spirit that guides me, a light that shines for me,

My life is worth the livin', I don't need to see the end.

Sweet, sweet sur-render, live, live without care,

Like a fish in the water, like a bird in the air.

Sweet, sweet sur-render, live, live without care,

Like a fish in the water, like a bird in the air.

(Repeat the song, and play the last line twice)
