

TELL IT LIKE IT IS - George Davis/Lee Diamond

4/4

If you want something to play with, go and find yourself a toy

Baby, my time is too ex-pensive, and I'm not a little boy
(and I don't want no little boy)

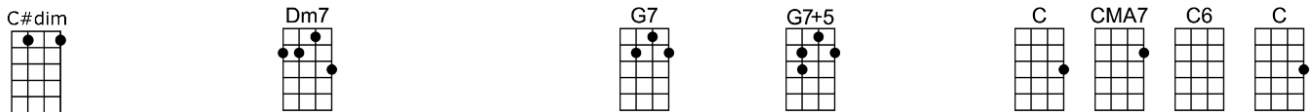

If you are serious, don't play with my heart, it makes me furious

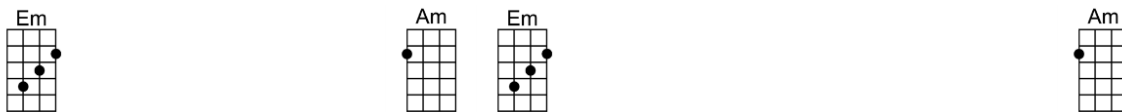

But, if you want me to love you, then, baby, I will, girl/boy, you know I will

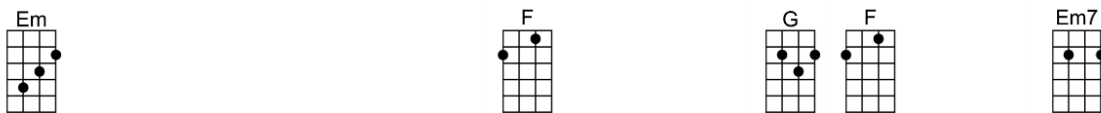

Tell it like it is, don't be a-shamed, just let your conscience be your guide

But I know, deep down in-side of me, I believe you love me, for-get your foolish pride

Life is too short to have sorrow, you may be here today, and gone to-morrow

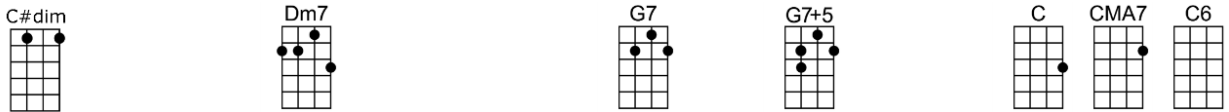

You might as well get what you want, so, go on and live, girl, go on and live

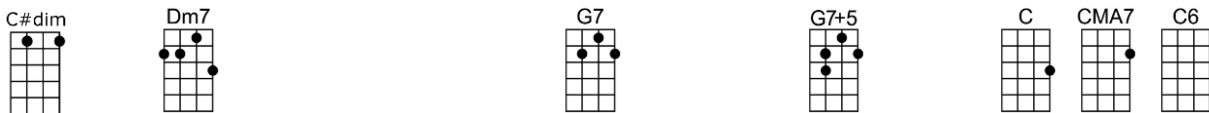

p.2. Tell It Like It Is

Tell it like it is, don't be a-shamed, just let your conscience be your guide

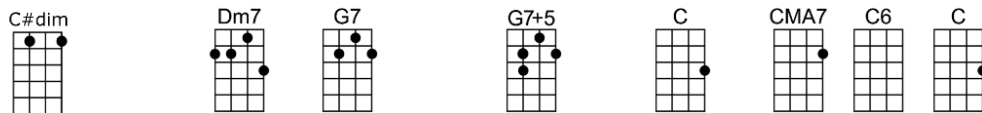

But I know, deep down in-side of me, I believe you love me, for-get your foolish pride

Tell it like it is, if you want something to play with, go and find yourself a toy
