THANK YOU FOR BEING A FRIEND - Andrew Gold

4/4 1...2...1234

Intro:

(2 measures)

Thank you for bein' a friend,

traveled down a road, and back again

Your heart is true, you're a pal and a confi-dant

I'm not ashamed to say,

I hope it always will stay this way

My hat is off, won't you stand up, and take a bow

And if you threw a party, in-vided everyone you knew

Well, you would see the biggest gift would be from me, and the card attached would say

Thank you for bein' a friend, thank you for bein' a friend

Thank you for bein' a friend, thank you for bein' a friend

If it's a car you lack,

I'd surely buy you a Cadillac

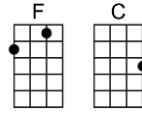

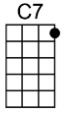

What-ever you need, any time of the day or night

I'm not ashamed to say,

I hope it always will stay this way

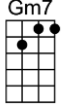

p.2. Thank You For Being a Friend

My hat is off, won't you stand up, and take a bow

And when we both get older, with walking canes and hair of gray

Have no fear, even though it's hardly here, I will stand real close and say

Thank you for bein' a friend, thank you for bein' a friend

Thank you for bein' a friend, thank you for bein' a friend

Let me tell you 'bout a friend, thank you for bein' a friend

Thank you for bein' a friend, thank you for bein' a friend

And when we die, and float a-way, into the night, the Milky Way

You'll hear me call, as we as-cend, I'll say your name, then once a-gain... Thank you for bein' a friend

Interlude:

(X2)

Thank you for bein' a friend, thank you for bein' a friend

Thank you for bein' a friend, thank you for bein' a friend (refrain X2)
