3/4 123 123

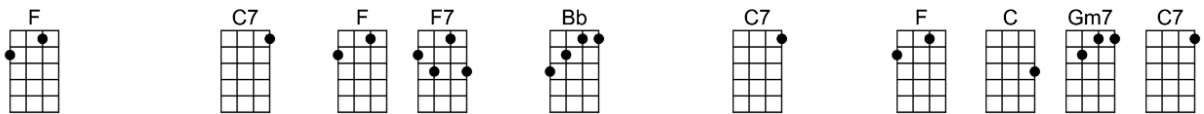

There goes my only pos-session. There goes my every-thing

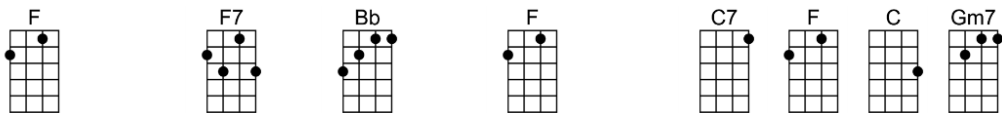

I hear footsteps slowly walkin', as they gently walk a-cross the lonely floor

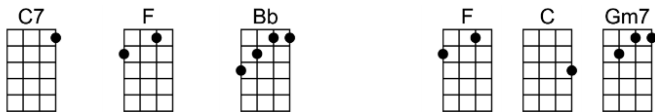

And a voice is softly sayin', "Darlin' this will be good-bye for ever-more."

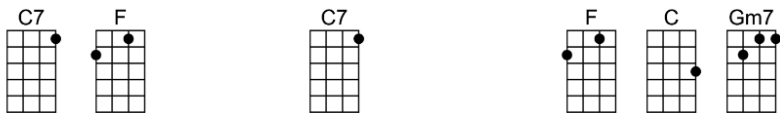

There goes my reason for liv - ing. Oh, there goes the one of my dreams

There goes my only pos-session. Oh, there goes my every-thing

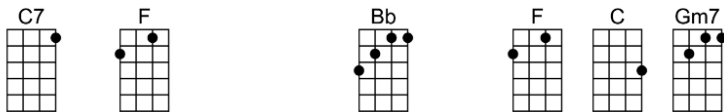

As my memory turns back the pages,

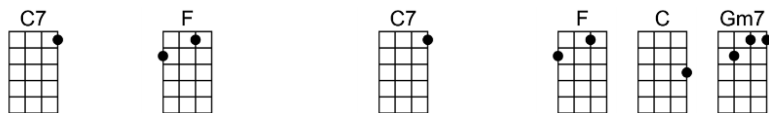

I can see the happy years we've had be-fore

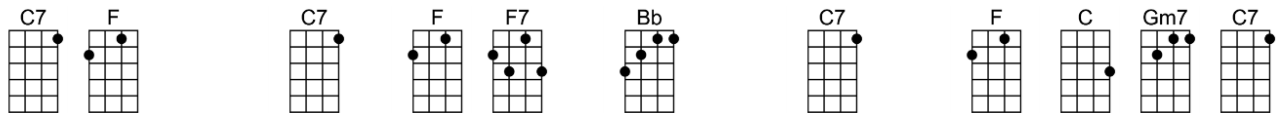

## p.2. There Goes My Everything

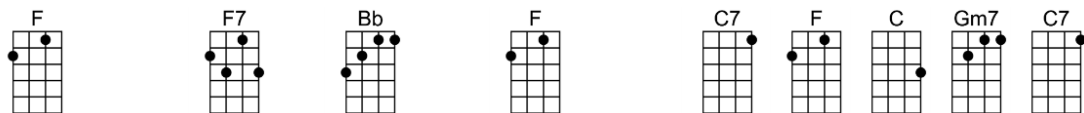

Now the love that kept this old heart beatin'

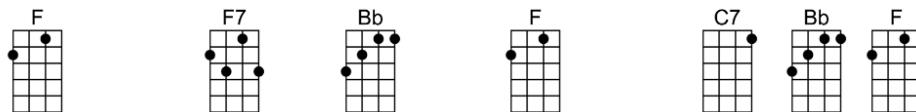

Has been shattered by the closin' of the door

Well, there goes my reason for liv - ing. Oh, there goes the one of my dreams

There goes my only pos-session. Oh, there goes my every-thing

There goes my only pos-session. Oh, there goes my every-thing
