**Intro:** |  |  |  |  |

Till the moon deserts the sky, till all the seas run dry, till then I'll worship you

Till the tropic sun grows cold, till this young world grows old,

My darling, I'll a-dore you

You are my reason to live, all I own I would give, just to have you a-dore me

Till the rivers flow up-stream, till lovers cease to dream, till then I'm yours, be mine

You are my reason to live, all I own I would give, just to have you a-dore me

Till the rivers flow up-stream, till lovers cease to dream, till then I'm yours, be mine
