

# TRAINS AND BOATS AND PLANES

4/4 1...2...1234

-Burt Bacharach/Hal David

**Intro: First 2 lines**

Trains and boats and planes are passing by, they mean a trip to Paris or Rome

For someone else, but not for me, the trains and the boats and planes

Took you away, away from me

We were so in love, and high above we had a star to wish upon wish

And dreams come true, but not for me, the trains and the boats and planes

Took you away, away from me

You are from an-other part of the world,

You had to go back a while, and then, you said you soon would return again

I'm waiting here like I promised to, I'm waiting here, but where are you?

**p.2. Trains and Boats and Planes**

**Trains and boats and planes took you away, but every time I see them I pray**

**And if my prayers can cross the sea, the trains and the boats and planes**

**Will bring you back, back home to me**

**Interlude:**

**The trains and the boats and planes will bring you back, back home to me**

**Outro: same as intro, and fade**
