TRISTE - Antonio Carlos Jobim

4/4 1...2...1234

Intro: (8 beats each)

Sad is to live in soli-tude, far from your tranquil alti-tude

Sad is to know that no one ever can live on a dream

That never can be, will never be. Dreamer, a-wake, wake up and see

Your beauty is an aero-plane, so high my heart can't bear the strain

A heart that stops when you pass by, only to cause me pain

Sad is to live in soli-tude

Interlude: First 3 lines

Your beauty is an aero-plane, so high my heart can't bear the strain

A heart that stops when you pass by, only to cause me pain

X3, end on

Sad is to live in soli-tude
