4/4 1...2...1234

Intro: |  |  |  |  |  |

Uptown girl, she's been livin' in her uptown world, I bet she never had a backstreet guy,

I bet her mama never told her why. I'm gonna try for an uptown girl,

She's been livin' in her white bread world, as long as anyone with hot blood can

And now she's lookin' for a downtown man, that's what I am

And when she knows what she wants from her time,

And when she wakes up, and makes up her mind

She'll see I'm not so tough, just because I'm in love with an

Uptown girl, you know I've seen her in her uptown world, she's getting' tired of her high class toys,

And all her presents from her uptown boys, she's got a choice

p.2. Uptown Girl

Interlude:

Uptown girl, **you know I can't afford to buy her pearls**

But maybe someday when my ship comes in
She'll understand what kind of guy I've been, and then I'll win

And when she's walkin', she's lookin' so fine,

And when she's talkin', she'll say that she's mine

She'll say I'm not so tough, just because I'm in love with an
