

# VIVA LAS VEGAS<sub>(BAR)</sub>-Doc Pomus/Mort Shuman

4/4 1...2...1234

**Intro:**  (4 measures)

  (Alternating chords in verse)

Bright light city gonna set my soul, gonna set my soul on fire

Got a whole lot of money that's ready to burn, so get those stakes up higher

There's a thousand pretty women waitin' out there, and they're all livin' devil may care

And I'm just the devil with love to spare, Viva Las Vegas, Viva Las Vegas

How I wish that there were more than the twenty-four hours in the day

'Cause even if there were forty more, I wouldn't sleep a minute away

Oh, there's black jack and poker and the roulette wheel

A fortune won and lost on every deal

All you need's a strong heart and a nerve of steel, Viva Las Vegas, Viva Las Vegas

**p.2. Viva Las Vegas**

**Viva Las Vegas with your neon flashin', and your one armbandits crashin'**

**All those hopes down the drain**

**Viva Las Vegas turnin' day into nighttime, turnin' night into daytime,**

**If you see it once, you'll never be the same a-gain**

**I'm gonna keep on the run, I'm gonna have me some fun, if it costs me my very last dime**

**If I wind up broke a-well I'll always remember that I had a swingin' time**

**I'm gonna give it everything I've got, Lady Luck, please let the dice stay hot**

**Let me shoot a seven with every shot**

**Viva Las Vegas, Viva Las Vegas, Viva Las Vegas, Viva, Viva Las Vegas**
