4/4 1...2...1234

Intro:

(2 measures each)

When, when you smile, when you smile at me, well, well I know our love will always be

When, when you kiss, when you kiss me right, I, I don't want to ever say goodnight

I need you, I want you near me. I love you, yes I do, and I hope you hear me

When, when I say, when I say, "Be mine," if, if you will, I know all will be fine.

When will you be mine?

When, when you smile, when you smile at me, well, well I know our love will always be

When, when you kiss, when you kiss me right, I, I don't want to ever say goodnight

I need you, I want you near me. I love you, yes I do, and I hope you hear me

When, when I say, when I say, "Be mine," if, if you will, I know all will be fine.

When will you be mine? When will you be mine?
