

# WHERE DID OUR LOVE GO-Holland/Dozier/Holland

4/4 1...2...1234

**Intro:**  (8 beats)

Baby, baby, baby, don't leave me, ooh, please don't leave me all by my-self

I have got this yearnin', burnin', yearnin' feeling in-side me

Ooh, deep in-side me, and it hurts so bad

You came into my heart now (baby, baby) so tender-ly,

With a burnin' love (baby, baby) that stings like a bee (baby, baby)

But now that I sur-render (baby, baby) so helpless-ly

You now want to leave (baby, baby) ooh, you want to leave me (baby, baby)

 

Ooh, baby, baby, where did our love go?

Ooh, don't you want me (baby, baby) don't you want me no more? (Baby, baby) ooh, ooh,

# BABY LOVE-Holland/Dozier/Holland

Baby love, my baby love, I need you, oh how I need you

But all you do is treat me bad, break my heart and leave me sad

Tell me, what did I do wrong to make you stay a-way so long

'Cause baby love, my baby love, been missin' you, miss kissin' you

Instead of breakin' up, let's do some kissin' and makin' up

Don't throw our love away, in my arms, why don't you stay?

Need to hold you once a-gain, my love, feel your warm em-brace, my love

Don't throw our love away, please don't do me this way

Not happy like I used to be, loneli-ness has got the best of me

Baby love, my baby love, I need you, oh, how I need you

Don't throw our love away, after I've been true to you,

So deep in love with you, baby, baby, baby, baby, baby love!
