Intro: |  |  |  |  |

 She comes down from Yellow Mountain,  on a dark, flat land she rides

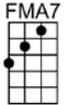

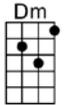

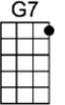

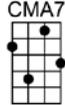

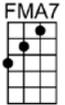

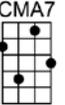

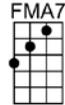

On a pony she named Wildfire  Whirlwind by her side,  on a cold Nebraska night.   

 Oh, they say she died one winter,  when there came a killing frost  

And the pony she named Wildfire  busted down its stall;  in a blizzard she was lost.   

 She ran calling Wild - fire, she ran calling Wild - fire,   

Calling Wi - ild - fi - i - re.        

p.2. Wildfire

By the dark of the moon I planted, but there came an early snow.

S'been a hoot owl howlin' outside my window now, 'bout six nights in a row.

She's comin' for me, I know, and on Wildfire we're both gonna go.

We'll be ridin' Wild - fire, Wild - fire, ridin' Wi - ild - fi - ire

On Wildfire we're gonna ride. We're gonna leave sod-bustin' behind

Get the hard times right on out of our minds,

Ridin' Wi - ild - fi - i - re
