

YOU CAN CLOSE YOUR EYES - James Taylor

4/4 1234 (slow count)

Intro: |     | **(X2)**

Well the sun is surely sin - kin' down, but the moon is slowly ri - sin'.

So this old world must still be spinnin' 'round, and I still love you.

So close your eyes, you can close your eyes, its al-right.

I don't know no love songs, and I can't sing the blues any-more.

But I can sing this song; and you can sing this song, when I'm gone.

It won't be long be-fore an-other day. We gonna have a good time,

And no one's gonna take that time a-way. You can stay as long as you like.

So close your eyes, you can close your eyes, its al-right.

I don't know no love songs, and I can't sing the blues any-more.

But I can sing this song; and you can sing this song, when I'm gone.
