**Intro:** |  |  |  |  |  |  |

Every time I look in-to your lovely eyes,

I see a love that money just can't buy.

One look from you, I drift a-way. I pray that you are here to stay.

Any-thing you want, you got it. Any-thing you need, you got it.

Any-thing at all, you got it, ba - by!

Every time I hold you, I begin to under-stand,

    

Everything about you tells me I'm your man.

       

I live my life to be with you. No one can do the things you do.

**p.2. You Got It**

**Any-thing you want, you got it. Any-thing you need, you got it.**

**Any-thing at all, you got it, ba - by!**

**Anything you want, anything you need, anything at all**

**Interlude:**

**I'm glad to give my love to you. I know you feel the way I do.**

**Any-thing you want, you got it. Any-thing you need, you got it.**

**Any-thing at all, you got it, ba - by! (X2)**

**Anything at all, baby, you got it!**
