

SING F#

# YOU MAY BE RIGHT (BAR)-Billy Joel

4/4 1...2...1234

**Intro:** |     | (X4)

Friday night I crashed your party, Saturday I said I'm sorry. Sunday came and trashed me out a-gain  
Re-member how I found you there, alone in your electric chair. I told you dirty jokes until you smiled

I was only having fun, wasn't hurting anyone,  
You were lonely for a man, I said, "Take me as I am

{     } (X2)

And we all enjoyed the weekend, for a change  
'Cause you might enjoy some madness for a while."

I've been stranded in the combat zone, I walked through Bedford Stuy alone  
Now think of all the years you tried to find someone to satisfy you.

Even rode my motorcycle in the rain  
I might be as crazy as you say

And you told me not to drive, but I made it home alive, so you said that only proves that I'm in-sane  
If I'm crazy then it's true, that it's all because of you, and you wouldn't want me any other way

You may be right, I may be crazy, but it just may be a lunatic you're looking for  
You may be right, I may be crazy, but it just may be a lunatic you're looking for

**p.2. You May Be Right**

**Turn out the light, don't try to save me.  
It's too late to fight, it's too late to save me.**

**1. You may be wrong, for all I know, but you may be right (2nd verse)**

**2. You may be wrong, for all I know, but you may be right**

**Instrumental verse**

**You may be right, I may be crazy, but it just may be a lunatic you're looking for**

**Turn out the light, don't try to save me.**

**You may be wrong, for all I know, but you may be right**

**You may be wrong, but you may be right (repeat and fade)**
